

PRO^W

by WORP Idea Co., Ltd.

WORP began with group of toy designer who believe in the idea of green living. Our team dedicated to expand & create the designed stationery and decorative items with functional and full of inspiration.

PROW Range is thoughtfully designed which can be of great use in your office or home. Our range is all handmade by using wood sawing technique to form the product.

You can choose our standard collection or selection of customized options. And we can develop a product according to your needs.
